What?

The Wheelock College Library promotes engagement with information resources to further the community's curricular, research, and professional pursuits; leads in supporting lifelong learning; provides collections and services in appreciation of cultural, ideological, and global diversity; and serves as a gateway to knowledge.

The Library's print and electronic collections include children's literature, computer software, curriculum materials, journals, reference books, CDs, videos and DVDs, and tests and assessments. The Library also houses the Wheelock College Archives.

A Wheelock College identification card with a Library barcode or a Fenway Libraries Online (FLO) card is required to check items out of the Library. Library cards from most other Fenway Library Consortium (FLC) libraries also are honored.
